July 2011

Greetings All,

Finally! The weather is acting like summer and we are playing catch up from such a wet June. We are cramming all of May and June's cancellations into July and August. Mark your calendar's!

Our CTC is moving along and we have more riders signed up this year than last year. The ride closes two days before the ride so there is still time to sign up. We could use a few more hands for those of you not competing in the ride.

The Annual Horse Show being held August 14th has been refined with fewer divisions, in particular the beginner divisions (one for 12 and under and one for 13 through adult). Another change are the trail classes with no age limits on the horses competing in the in hand trail class. The class list and entry form can be found on our web page. Any questions contact show secretary, Jenny Bryan, 802-728-3009 or jennybwright@gmail.com

The riding clinic with Marcy Baer has been reformatted to be a group riding lesson with three riders/horses per group for a one hour session. Contact Jenny Bryan if you want to jump in. We have room for nine people.

July 30th will be a show grounds clean up day. The riding clinic with Marcy may be on this same date. If it is, we will clean up in the afternoon after the group lessons.

Obstacle Challenge has been scheduled for August 6th, the weekend before the horse show. This gives you an opportunity to practice your trail skills before the show.

Saddle Up!
